PUBLIC
PARTICIPATION: Ila Tinder, 5632 Stateline Road, wanted to discuss fire protection charge added to American Water's bill and executive session. Mrs. Tinder asked who was being charged and when the ordinance was passed. Mayor Kirichkow explained that all city residents were charged for fire protection and the ordinance was passed June 6, 2009. Also, Mrs. Tinder asked why so many executive sessions, she felt more of these sessions should be open to the public. Mayor Kirichkow explained that when the City Council has personnel issues to discuss it's the employees right not to have open to public. Mayor Kirichkow also explained that the reason the litigation issue was on the agenda was for IEPA issues regarding the sewer plant and possible fines. After discussion the Council may go back into open session if there is a vote so the public would be informed on the issue.
Brad Jacobson, 622 Cassandra, requested an update regarding the Winfield Subdivision drainage issues. Mayor Kirichkow and Attorney Livingston commented that there hasn't been any new information from the developer and City Attorney Jeff Livingston would send one more letter to try to get a response before going any further.
